To the Senior Class:

In the book of Proverbs (4:7) there appears this comment: "Wisdom is the principle thing; therefore get wisdom."

This observation is as true today as in the ages of the early Israelites. We all recognize the importance of wisdom and and the necessity for acquiring as much of it as possible if we are to lead successful and happy lives.

Your teachers have done everything possible to provide you with the tools and skills necessary for acquiring wisdom. It is up to you to take with you from your school years the habits of study and learning which are necessary to acquire further knowledge. Education is a continuing process. Therefore, let graduation mark the begining, not the end of your education.

To The Senior Class:

Graduation 1962 means many things to many people. To your friends and townspeople who wish you well, it is the first commencement from the new school and they expect many things from you. To your parents, who have sacrificed for your education, it is a moment of pride and realization of many dreams and desires. To your teachers, you are yet a diamond in the rough waiting to be fashioned and polished into brilliance. For you, it marks the beginning of new opportunities and the acceptance of greater responsibilities.

It is relatively easy to look and to see the many opportunities of the 20th Century. The school has helped you to identify these opportunities and it has shown you that there exist opportunities for everyone who is willing to reach out, to be alert, and to be willing to learn. Now you must see these things for yourself.

The time has come for you to accept the responsibilities to provide and take care of a family, to take part in local government, to provide a democracy for those who follow you. Be willing to make progress, strive for prosperity and peace for everyone. Above all, set high standards for yourself; feel a need to achieve; develop fully your code of moral values and live by them.

Let it not be said that the Class of 1962 could not meet the 20th Century.

PEPPERELL CLASS HISTORY

In the fall of 1958, we, the Class of 1962, entered P.H.S. with enthusiasm and determination to make our high school days the most valuable and rewarding in our lives.

We held class elections and the results were: Charles Lorden, President; Charlotte Davis, Vice President; Sylvia Lawrence, Secretary; and Donald Condra, Treasurer. Student Council representatives were Audrey Grogg and Allen Blood. Class advisors were Miss Dunham and Mr. Able. Our only class activity was a very successful record hop.

In our Sophomore year, as "wise fools", we elected Charles Lorden, President; Paul Stewart, Vice President; Sylvia Lawrence, Secretary; and Bonnie Lorden, Treasurer. Student Council representatives were Nancy Hill and Dave Gagnon. Class advisors were Mr. Rapisardi and Mr. Prout. We won first prize in the one-act play contest with the play, *"The Mystery of the Silver-Handled Hairbrush."* We held two record hops and had very successful food sales. We selected our class rings in the spring. They were to be delivered in the fall. We decorated the gymnasium for graduation exercises of the class of '60.

As Juniors we entered P.H.S. for our last year at that school. We elected Tim Gaskill, President; Paul Stewart, Vice President; Sylvia Lawrence, Secretary; and Bonnie Lorden, Treasurer. Student Council representatives were Audrey Grogg, David Gagnon and William Shattuck. Class advisors were Miss O'Neil and Mr. McConeghy. We held two very successful record hops, "Pumpkin Panic" and "Lenten Lanterns." *"Life of the Party"* was presented by us in the one-act play contest. Spring came and with it the last high school dance ever to be held at P.H.S. This was the Junior-Senior Prom, "Aloha." The gymnasium was decorated in a Hawaiian theme. Lewis Kimball, Class of '61, was chosen Prince and Bonnie Lorden, Class of '62, was chosen Princess.

TOWNSEND CLASS HISTORY

With a feeling of doubtfulness the class of 1962 entered Spaulding Memorial High School as freshmen in 1958. We were greeted by our class advisors, Mr. O'Donnell and Mr. Boyd. Our class officers were David Quimby, President; Richard Newcombe, Vice President; Helen Arsenault, Secretary; and Gary Law, Treasurer.

Our activities that year consisted of selling ball point pens, and a successful record hop in June which added to our class treasury.

With a little more confidence we entered our Sophomore year with class advisors, Mr. Eno and Mr. Natale. Our officers for that booming year were: John Wilson, President; Helen Arsenault, Vice President; Nancy Emerson, Secretary; and Gary Law, Treasurer.

Our Halloween Dance, St. Patrick's Dance and spaghetti supper were huge successes that caused our treasury to expand a little more.

History

With summer over, we returned to school for an unforgettable Junior year with class advisors, Mrs. Swicker and Mr. Wood. Our officers were: Robert Merrill, President; Richard Newcombe, Vice President; Helen Arsenault, Treasurer; and Sandra Moore, Secretary.

We all enjoyed our record hops which were the finest, and our spaghetti supper which proved to be the best so far. We held our Junior-Senior Reception in September. We all enjoyed dancing and one hilarious evening of stunts and skits to entertain the Seniors. In May we had the Junior-Senior Prom. Graduation exercises finally came in June with our classmates roaming the woods picking laurel in pouring rain for the decorations in the gym. It was an unforgettable day. The next night graduation exercises were held, led by Robert Merrill as Grand Marshal. We were all sad to see the Seniors leave, but we looked forward to our Senior year in a new school.

N.M.R.S. CLASS HISTORY

As seniors we entered the new school, N.M.R.S., with great anticipation for our last year of high school. During the first few weeks of school we, the combined classes of both Pepperell and Townsend, spent time getting to know each other. The first activity of our class was Mountain Day. Awards, given on this eventful day went to George Laitala, for being the most appropriately dressed mountaineer; Terry Starrett, the first student to reach the top; and Mrs. Bedell, for being the last teacher to climb the mountain.

We elected John Wilson, President; Peter Louden, Vice President; Sylvia Lawrence, Secretary; and Bonnie Lorden, Treasurer. Student Council representatives were John Carr, Audrey Grogg, Pete Paradise, and Dave Quimby. Class advisors were Mr. Harrington, Mrs. Donnelly, Mrs. Frantz, and Mrs. Bedell.

We have had three successful record hops. The distribution of class pictures and the writing of the yearbook, have given us many happy experiences. The Coronation Ball was the biggest social event of the towns with Sandi Moore, Queen, and Dick Newcombe, King, crowned by retiring Queen, Nancy Dillingham, and King Roger Peterson.

The court members included Chappy Lorden, Mary Boettcher, Pete Paradise, Kathy McGinnis, Tom Ordway, Helen Arsenault, Dave Quimby, Lucy Ordway, Terry Starrett, Sylvia Lawrence, John Wilson, Donna Carbonneau, Tim Gaskill, Nancy Hill, Tom Dearborn, Dotsie Kimball, Gary Law, Carol Keefe, George Laitala, Marilyn Koivu, Paul Stewart, Bonnie Lorden, Dan Creighton, Karen Dunbar, Bruce McMahon, Paula Colby, Dave Gagnon, and Karen Egan.

The senior play, *"You Can't Take It With You"*, proved to be very enjoyable to both participants and audience, and a great success.

As the school year draws to a close, we are looking forward to our graduation.

Prop of Class

The Place: WALDORF ASTORIA in NEW YORK CITY
The Date: June 21, 1977
"YOU ARE THERE"

The class of 1962 is together once again to renew friendships and relive memories of their high school years.

Sitting at this table are some very famous people. We see starlet DONNA CARBONNEAU, glowing in the success of her movie, "Cat on a Hot Tin Oil Well". Seated near her is the noted playwright JANE JAREST who is working with Donna on a new film script, which they plan to call "An Oil Well Named Desire." Next we meet Mr. America, CHAPPY LORDEN, who is talking with the millionaire beachcomber PAUL STEWART. Paul resides on Messer Beach owned by DAN MESSER where one can buy beach buggies sold by BRUCE McMAHON. These buggies are test piloted by DENNIS PERRY. They tell us that DICK NEWCOMBE and DAVID QUIMBY are confirmed bachelors living on an all male island in the South Pacific. They add that Dave and Newk spend their time sitting under palm trees talking about the gorgeous women who couldn't catch them.

We are most fortunate in having such a distinguished personality as the recently elected President of the United States, SUS-PENDER, at our reunion, who so far has made three appointments; DE-PENDER, Secretary of Defense; PAULA COLBY, his personal secretary; and MARY JANE DUNBAR, chief nurse at the White House.

As we glance around we notice the pipe smoking JOHN WILSON, who is now professor of Sarah Lawrence College, is involved in a discussion with JIM McCLELLAN, still maintaining his titles of Olympic ski Champion and International Flirt, about JOHN MASON, who has finally succeeded in providing without a doubt that distance has one dimension, that being length. Beside Jim, is DOTSIE KIMBALL, whose horse, Enemaris, has just won the Grand Prix. She is talking with JED LUPIEN, who got his break in the threatre, when he slipped on a rotten tomato.

JOAN LYNDE is the mad bell ringer of HELEN ARSENAULT'S new show for old adults, "Ting-a-Ling School", which is broadcast over T.V. Station W.O.M.E.M. owned and operated by DICK WHITE. Recently one of Dick's announcers JIM COLBURN was caught by F.B.I. man STEVE RICHARDS and booked on a payroll rap. However, lawyer PETE (MASON) McCLAIN is doing

...necy the of 1962

his best to defend him and it is expected that Jim will get off with only 99 years.

While dancing, we met two noted writers, MARILYN KOIVU, whose publication is entitled "What Townsend Harbors", and GARY LAW who is just finishing his 15th volume of Law books in Sexology.

From SANDI MOORE, editor of the "Paris Times", we learn that DICK OINONEN and PETE PARADISE are touring the French Riviera, now that it is the Bikini season, looking for rich widows.

Many of our old classmates have made the headlines during the last 15 years. GAIL McCARTHY has twice been voted "Housewife of the year". SALLY WETHERBEE and GEORGE LAITALA have just completed plans for a bridge to span the Atlantic Ocean from Boston to London.

On the local scene, BONNIE LORDEN has taken up her duties as basketball coach at Yale. PETE KING is rated the highest paid newsboy in town and AL BLOOD runs the fastest taxi service. Archeologist BOB HOLST has found the missing link—DAVE GAGNON.

Getting back to the reunion, we meet RICK HOLOHAN who is a syndicated columnist. His "Dear Rick" column is entitled "An answer to everything." In another group we find ballet instructor MALSIE (Kalenkov) BREEN who has spent the past 10 years checking his vodka stills. Seated near him is TERRY STARRETT, Principal of North East Overshoe, where STEVE KELLEHER is Vice-Principal, who is listening to Sister KAREN EGAN and Father FRANK COTTER tell about their missionary in Outer-Inner Mongolia.

By this time we are very hungry and as we sit down to eat, we are joined by LUCY ORDWAY and TIM GASKILL who have a maid and butler service. We are served by the famous waitress NANCY HILL who we all remember so well for her good work at Brownies. We enjoy a wonderful meal, which has been prepared by NORM DONNELLY, the well known nutrition expert; while listening to RAY BOYES inform us about his great circus, where MITZIE BENNETT is the start acrobat and GAIL MURPHY is training lions to roller skate.

As we get up to dance, we recognize BOB MERRILL, who is a member of the richest Indian Tribe in Michigan. His tribe, we remember is the one that sued the government for stealing their land. Dancing with him is KAREN DUNBAR, now owner of a woman's apparel shoppe, em-

ployes JERRY-ANN SARTELL as head seamstress and CYNDI HALLETT in the jewelry department. Her shop is the only place where one can buy clothes styled by REITA FARRIS and SHARON INGERSON, fashion experts from Paris, Maine. Speaking of shops, BARBARA KIRIN has established a book store. She reports that the top book on the best-selling list is "The CREIGHTON Twins in the Tree Tops" written by DAN and illustrated by DON. Other store owners are DAN MURPHY and DENNIS THOMAS who have a chain of food stores, selling produce raised by EUGENE STANTON on his 100 acre farm, and baked goods made at the THELMA MELENDY bakery.

We are now entertained by FEATHERS THOMAS and BUBBLES BOETTCHER who appear nightly at MARTY NEWMAIRE'S place, "The Grundy Grotto", where RALPH LECUYER tends the bar and in between acts CAROL KEEFE sells Girl Scout cookies. Members of Marty's bunch include AL (Scarface) STRAITIFF, JIM (Quick-draw) PARKER, and BILL (Switchblade) SHATTUCK.

Those who are unable to attend because they are unavoidably detained are JOHN CARR who has recently been appointed military commander at the South Pole. John writes that JANIS RICE has worked her way up to the position of Chief Policewoman in East Berlin. CHARLIE LEONARD runs a space station with the help of capable star-counter LARRY MAYLIN. BARBARA O'SULLIVAN was too busy raising little pills to leave the bottle. Unable to leave Moscow, AUDREY GROGG remains at her Polynesian Restaurant where she employs TOM DEARBORN as head chief.

Upon reading the Pepperell and Townsend newspapers, we learn that CAROL SOMES, BARBARA SULLIVAN, and PHILINA SHATTUCK are selling sweat shirts and varsity rats at North East Overshoe.

KATHY McGINNIS is now modeling meccano sets. We also saw that SYLVIA LAWRENCE is hairdresser to the Ambassador to Mars, DORIS PRINCE. From the newspaper we learn that PETE LOUDEN is commercializing "God's Country" with the help of Mr. Wood, and that DAVE COOPER has become a prosperous dentist. His slogan is "Have 'em filled, and drilled with Dave."

It is now quite late, and everyone is tired. We leave, happy that we have renewed old high school friendships, and brought back memories which we won't soon forget.

Thus is written the prophecy of the Class of 1962 of North Middlesex Regional High School. Written in peace, may it be accepted in peace.

Student Planning Committee

The Student Planning Committee was selected by the student bodies of the two previous high schools approximately a year and a half ago. It is composed of two representatives from each class. Together, with the approval of the administration and school committee, they contributed to the student handbook, which contains the rules and regulations of the school. These representatives have also aided the administration by conducting tours through the school. Until the election of the Student Council they were the only student representatives for the school.

Student Council

The first Student Council of North Middlesex was formed in January with the election of its officers. Even with this late start, it has managed to accomplish many of its objectives, the main one of which is to promote better student relationships.

Bonnie,
You've been a good friend and a lot of help in our first year together. The best,
Salene
